

One Day Workshop on Basic Molecular Biology Techniques

Multi Disciplinary Research Unit (MRU)
N.R.S. Medical College & Hospital
138 A.J.C. Bose Road, Kolkata-700014
(Baker Building, 3rd Floor)

Details of the workshop

- Date:** 28.01.2023
- Number of days:** One (01)
- Application/Registration fee:** None but registration is mandatory
- Eligibility:** MD/MS or equivalent in related field. Interested faculty members can also apply
- Number of Participants:** Limited to 25
- Location:** MRU of NRSMCH, Baker building (3rd floor)
- Mode of workshop:** Offline
- Selection:** Registration by mail on first come, first serve basis (for detailed instruction please follow the bottom of the page)
- Certificates:** All participants will get a certificate upon successful completion of the workshop

Content of the workshop

- **Basic laboratory safety, micro pipetting practice**
- **Presentation on different molecular biology techniques**
- **Experiments on DNA extraction, Polymerase Chain Reaction (PCR), Agarose Gel Electrophoresis**

Note: Important dates

- **Application opens:** 11.01.2023
- **Application deadline:** 25.01.2023
- **Notification to shortlisted candidates (by mail):** 26.01.2023
- **Workshop date:** 28.01.2023

All applications with a one page CV and completely filled in registration form attached below must be sent via email to:
nodal_mru@nrsmc.edu.in by 25.01.2023
