

N.R.S. Medical College and Hospital

Central Library

Academy Building (3rd Floor)

Kolkata – 700014

NOTICE

Central Library is happy to inform you that we are now member of ERMED-India Consortium (National Medical Library's Electronic Resources in Medicine) which is an initiative taken by DGHS & MOHFW to develop nationwide electronic information resources in the field of medicine for delivering effective health care.

All the students, scholars, faculties and other medical professionals are being informed by the Central Library that they can get their required full text articles from 5 leading publishers like British Medical Journal Publishing, Cambridge University Press, Lippincott Williams & Wilkins, Oxford University Press and John Wiley.

It can be accessed via <http://www.irmed.in/>

Any problem in downloading article, please contact Central Library or send mail to centrallibrary@nrsmc.edu.in
